

*We are a team that achieve
amazing things every day!*

FRENCH

En Francais, we will be focusing on the geography of France.

SCIENCE

This term we will be collecting, observing and classifying living things, with a particular focus on marine habitats. This will include a fabulous visit to Skegness Aquarium!

PSHE

In PSHE, we will be discussing the importance of listening to others, and exploring issues of fairness, discrimination and equality

CURRICULUM OFFER

YEAR 4

Summer 2 2019

ENGLISH

In English, we will continue our reading and writing of different types of Poetry, writing a recount of our special visits, and writing adventure stories based on a sea theme.

HUMANITIES

This term our focus is on geographical skills, including map work, with a focus on comparing urban and rural environments. We will also be examining population, land use and tourism in Skegness, carrying out some field work whilst on our trip

TRIPS and EVENTS

This term, we will be going on our residential visit to Rand Farm. Later on in July, we will be visiting Skegness Aquarium and the beach!

RELIGIOUS EDUCATION

This term we are exploring the role of pilgrimage within different religions and why people go on these special journeys.

MATHEMATICS

This term we will continuing to delve into the study of time, statistics and geometry.

ART

This term we will be using water colours to create our own seascape pictures in the style of Monet.
